SUBJECT AND CATEGORIES OF RECORDS HELD BY SOUL CITY
INSTITUTE: SECTION 51(1)(e)

The Act requires that sufficient detail is provided to facilitate a request for
access to a record of Soul City Institute. A description of the subjects for
which Soul City Institute holds records and the categories held by each
subject can be found in Annexure A of this manual. This list of subjects and
categories of records that can be found in Annexure A forms an integral part
of this manual

DETAILS ON HOW TO MAKE A REQUEST FOR ACCESS: SECTION 51(e)

1. Introduction

Access to information held by Soul City Institute is not automatic and
can be refused by Soul City Institute on any grounds contemplated in
Chapter 4 of Part 3 of the Act.

In order to request access to information held by Soul City Institute, the
person requesting access to such information (hereinafter referred to
as the “requester”) must not only identify the right he/she is seeking to
exercise or protect and explain why the record requested is required for
the exercise or protection of that right, but must also comply with all the
procedural requirements set out in the Act.

If the requester requests information on behalf of a public body (i.e.
the state), the requester must identify that the request for information is
in the public interest by stipulating adequate reasons.

2. Procedural Requirements

• In order to facilitate such a request to information the requester
needs to complete the prescribed access form attached hereto as
Annexure B. Please note that the prescribed access form must be
completed in full. If not, the process may be delayed until such
additional information has been provided.
• **Proof of identity** is required to authenticate the request and the requester. Therefore, in addition to the prescribed access form, requesters will be required to supply a certified copy of their identification document or any other legal form of identification.

• The request must be made to the information officer at her address, facsimile number or e-mail address.

• The requester must provide sufficient detail on the request form to enable the Information Officer to identify the record requested and the requester. When completing a request on the prescribed form, the requester should also indicate:
  - the preferred language;
  - whether the requester wishes to be informed of the decision in another manner in addition to a written reply; and
  - a facsimile number and postal address.

• If a request is made on behalf of another person, then the requester must show, to the reasonable satisfaction of the Information Officer, that he/she is duly authorised to make such an application.

• If an individual is unable to complete the prescribed form because of illiteracy or disability, such a person may make the request verbally.

• The form must be adequately completed, with sufficient information particularly so the Information Officer can identify
  - from where and from whom the request is made;
  - what record is requested;
  - what the access fee will be, should the access be granted.

• A request will not be processed until the request fee and a deposit of the access fee (if applicable) have been paid. The request fee is an administration fee that must be paid before the request is considered, and is not refundable. However, a requester requesting information containing personal information about the requester is excluded from paying the request fee.

• The access fee is intended to reimburse Soul City Institute for the costs involved in searching and preparing the record requested for delivery and is payable once access to the record requested is granted. Should this request for access to information be about a person other than the requester and Soul City Institute is of the opinion that the preparation of the required record will take more than six hours, a deposit (which is one-third of the access fee) is payable before the request will be processed by Soul City Institute.

• A reproduction fee is payable by the requester, in the case of the reproduction of a record requested.
3. **Notification**

Requesters will be informed within 30 days if Soul City Institute’s decision is to refuse access to the information requested based on any of the grounds for refusal as contemplated in Chapter 4 of Part 3 of the Act. Take note that the 30-day period may be extended for a further 30 days’ period should more time be required to gather the requested information. The requester will, however, be notified if the initial 30-day period is to be extended for a further 30 days.

**FEES**

The Act provides for two types of fees:

A request fee, (which will be a standard fee) and an access fee, which must be calculated by taking into account reproduction costs, search and preparation time and cost, as well as postal costs where applicable. When a request is received by the information officer of the Company, the information officer shall by notice require the requester, other than a personal requester, to pay the prescribed request fee (if any), before further processing of the request. If a search for the record is necessary and the preparation of the record for disclosure, including arrangement to make it available in the requested form, requires more than the hours prescribed in the regulations for this purpose, the information officer shall notify the requester to pay as a deposit the prescribed portion of the access fee which would be payable if the request is granted.

The information officer shall withhold a record until the requester has paid the fee or fees as indicated. A requester whose request for access to a record has been granted, must pay an access fee for reproduction and for search and preparation, and for any time reasonably required in excess of the prescribed hours to search for and prepare the record for disclosure including making arrangements to make it available in the request form. If a deposit has been paid in respect of a request for access, which is refused, then the information officer shall repay the deposit to the requester.

**AVAILABILITY OF MANUAL**

The manual is available for inspection, free of charge, at the offices of Soul City Institute (Third Floor, 1 Newtown Avenue, Killarney, Johannesburg) as well as the Soul City Institute website (www.soulcitycity.org.za).
