

# BOUNCE HIGH, BRONZE BUDDYZ.

**Congratulations, your club is a Bronze Club.  
So what does this mean?**

Your club will be in the bronze level for 1 year – 2010. Your club will receive the following materials at different times during the year:

- ★ 4 Club Zone magazines
- ★ 3 Unit guides
- ★ 1 Buddyz book
- ★ 1 Fun and games booklet
- ★ 3 Adult magazines (for your parents)
- ★ 6 posters
- ★ 8 reply envelopes

As a bronze club, you need to try and score at least 125 points for the year. We want clubs to score points so that they can stay on the Soul Buddyz Club database. You can choose to work hard and score the 125 points you need to remain in the bronze group. If you score more than 125 points you can move to the silver group. How can you do this? It's very, very simple.  
Check it out

Send your registration form		= 10 points
Magazine competition	5 points x 3 competitions	= 15 points
Send us a letter	10 points x 2 letters	= 20 points
Send a club report	30 points x 2 reports	= 60 points
Special project	20 points x 1 project	= 20 points
<b>Total</b>		<b>= 125 points</b>

It's really that easy. If your club wants to move to the silver group, you will have to try to do more. You will need to try to achieve 200 points. You can agree as a club to do more work, like send more reports and do more projects so that you can increase your points.

You can also call the office on 0860 28 33 99 to find out how many points you have and how many points you will need to get to the next level. Get it, more points = more chances to get to the next level. At the end of 2010 we will add up all your points to see whether you stay bronze or move to the next level.

Good luck Buddyz. Be the best bronze buddy in 2009.
