

# SHINE SILVER BUDDYZ, SHINE!

**Congratulations, your club is a Silver Club.  
So what does this mean?**

Your club will be in the silver level for 1 year – 2010. Your club will receive the following materials at different times during the year:

- \* 4 Club Zone magazines
- \* 3 Unit guides
- \* 1 Buddyz book
- \* 1 Fun and games booklet
- \* 3 Adult magazines (for your parents)
- \* 6 posters
- \* 8 reply envelopes

As a silver club, you need to try and score at between 126 and 245 points for the year. If you do, you will remain on the silver level. It's really easy to shine as a silver club.

Check it out

Send your registration form		= 10 points
Magazine competition	5 points x 3 competitions	= 15 points
Send us letters	10 points x 4 letters	= 40 points
Send club reports	30 points x 4 reports	= 120 points
Special project	20 points x 1 project	= 20 points
1 unit project	40 points x 1 project	= 40 points
<b>Total</b>		<b>= 245 points</b>

It's never been easier. If your club wants to move to the gold group, you will have to try to do more. You will need to try to score more than about 250 points or more if you want to move. You can agree as a club to do more work, like send more reports and do more projects so that you can increase your points.

You can also call the office on 0860 28 33 99 to find out how many points you have and how many points you will need to get to the next level. Get it, more points = more chances to get to the next level. At the end of 2010 we will add up all your points to see whether you stay silver or move to the next level.

Good luck Buddyz. Remember to keeping shining as only silver buddyz can.
